Dear Bahaidara:

We are pleased to inform you that your application has been accepted for the Intensive English Language Program. We take pleasure in confirming that a place has been reserved for you.

This is a full-time program of study, which provides training for students whose English language proficiency level is below the acceptable minimum to enter university. You should be prepared to register for at least three sessions (nine months) to acquire the desired proficiency.

Admission to the Continuing Education Language Institute does not constitute admission to the full-time academic programs at Concordia University. Upon completion of our English language courses, students who wish to apply for admission to an undergraduate or graduate program must contact the Admissions Office at the University to determine their academic qualifications as well as the availability of space.

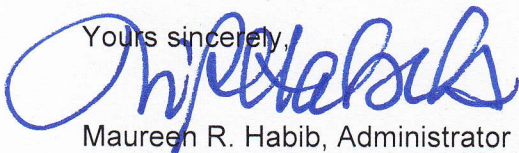

This program will commence on **September 19, 2016**. You must arrive at least one week prior to the commencement of classes for this acceptance to be valid. Should you be unable to arrive in time for the above-mentioned session, you must reapply.

Medical insurance is compulsory and will be added to your tuition fees at the time of registration.

Please consult with Citizenship and Immigration Canada concerning your student status in Canada.

We look forward to your arrival at Concordia University and to your successful studies with us.

Yours sincerely,

Maureen R. Habib, Administrator
